Silver model of horse & foal

Goldsmiths & Silversmiths Co

Sold

REF: 2414

Height: 290 mm (11.42")

Depth: 260 mm (10.24")

Description

Beautifully executed silver presentation model of a racing mare and her foal, cast and finely hand chased. This graceful centrepiece exemplifies the model maker's skill. The piece is mounted on an ebonised wood base and surmounted by a silver mound chased to resemble grass. There is a blank rectangular plaque suitable for engraving.
