Antique silver & ebonised wood conductor's baton

Maker's Mark Indistinct

Sold

REF: 6946

Width: 515 mm (20.28")

Description

Late-Victorian conductor's baton of ebonised wood and fitted with hand-engraved silver mounts. The octagonal top and middle silver sections are decorated with panels incorporating hand-engraved diamond patterns alternating with sections of scrolling foliage. The silver tip is hand engraved with scrolling foliage and the baton is fitted in its original leather case. Perfect for The Proms!
