REF: 7351

Height: 69.82 mm (2.75")

Diameter: 50.78 mm (2")

Description

Quite a rare matched set of Edwardian cut glass egg cups with silver rims and their decorative silver spoons, all displayed in their original fitted presentation case. The glass egg cups are cut with panels and feature a horizontal thread pattern around the bodies. The rims are sterling silver and the decorative silver egg spoons feature scrolls, fans and foliage in their design.
