REF: 1108

Height: 100 mm (3.94")

Diameter: 270 mm (10.63")

Weight: 874 g

Description

Pretty round antique fruit basket or bread basket with hand-pierced lattice decoration and a cast border of gadroon and openwork flower decoration.

Although delicate in appearance this lovely piece has a good heavy and substantial feel. The base is engraved with a family crest of an eagle with outstretched wings.
