Rare & unusual Edwardian silver pepper grinder

Elkington & Co

Sold

REF: 9728

Height: 120 mm (4.72")

Width: 90 mm (3.54")

Description

Rare antique silver pepper mill. The crank handle has cast winged cherubs attached. There are cast and applied decorative mounts around the cylinder body. The mill is fitted with a Peugeot grinding mechanism, this is the best type and will last for many, many years to come. The design is based on a French pattern popular around the late 19th century.
