

## Matched set of four antique silver owl menu or place card holders Crisford & Norris

£945

REF: 8241 Height: 40 mm (1.57") Diameter: 25 mm (0.98") Weight: 45 g

## Description

Charming set of four antique silver menu or place card holders, modelled as owls and made during the Edwardian era at the start of the 20th century. Each features a finely detailed owl, with amber glass eyes and mounted on the side of a domed base with a slot to house the place name or menu. The owls are double-sided so you can see the same little character from the back or front.
