Franz Schiebner

£1,150

REF: 8201

Height: 170 mm (6.69")

Diameter: 150 mm (5.91")

Weight: 680 g

Description

Late-Victorian antique silver egg cruet fitted with four large detachable egg cups. The base has cut-outs to hold the four silver egg spoons, the cast ring handle is formed into a laurel wreath and the bases of the egg cups are decorated with crisp bead mounts.

The set of four Rattail pattern silver spoons were made by Franz Schiebner of London in 1897.
