Weight: 2290 g

Description

Extremely stylish mid-century silver coffee service comprising a coffee pot, milk or cream jug and sugar bowl. The elegant and elongated bodies have a multi-faceted hammered finish and the bases decorated with a cast and applied stylised leaf decoration. The interiors of the jug and sugar bowl are gilded. The coffee set sits on a round silver tray with a matching stylised leaf border.

The dimensions given are for the coffee pot and tray. Other dimensions are:

Jug 150mm (6") tall

Sugar 50mm (2") tall 87mm diameter
