Description

Excellent and stylish Art Deco period silver (950 standard) teapot fitted with an ebonised wood handle and finial. The design cues are pure Art Deco, from the stepped cover, clean lines, geometric chevron applied decorations, to the panelled spout.

This silver teapot's capacity is 700ml (23.67 fl oz); the equivalent of approximately four to five cups of tea.

The weight of the teapot has been calculated to exclude the weight of the wooden handle and finial.
