Scottish silver teapot stand

James & Walter Marshall

£450

REF: 3361

Diameter: 125 mm (4.92")

Description

Circular Victorian silver teapot stand with engraved detail incorporating leaves, shells and scales, on a wooden coaster base. As well as helping the tea to stay hot, the stand protects the table surface from the heat of the teapot.

This silver stand will hold a teapot with base diameter of 100mm (4").
