Description

An oblong silver tea set of small proportions, in the Georgian style with fluted body and gadroon borders. The teapot will hold two to three cups and this makes it an ideal breakfast set.

The bachelor tea service is a charming set of antique silver, being simply a smaller version of a full-size tea set, but intended for one person. Occasionally mistaken as part of a child's tea service, they are deliberately petite and were created long before the advent of the tea bag!

Dimensions are for the teapot.
