Description

In a style that typifies the Art Deco era, this is a modern 12" (310mm) square cocktail salver featuring cut corners and mounted on four cast, stylised supports.

It is perfect as a cocktail tray or for serving canapés.

Art Deco design, short for Arts Décoratifs, is characterised by rich colours, bold geometry, and decadent detail work. Having reached the height of its popularity in the 1920s, '30s and '40s, the style still brings in glamour, luxury, and order with symmetrical designs in exuberant shapes.
