Art Deco silver tray

Roberts & Belk

Sold

REF: 6077

Width: 485 mm (19.09")

Depth: 253 mm (9.96")

Weight: 1280 g

Description

Stylish oblong Art Deco style silver tray with cut corners and cast square handles with familiar Art Deco geometric outlines and stepped decoration. This sterling silver tray would complement a three-piece Art Deco silver tea set beautifully.

Characterised especially by sleek geometric or stylised forms, Art Deco was a pivotal time for design in the 1920s and '30s. It represented luxury, glamour, exuberance, and faith in social and technological progress.
