Height: 285 mm (11.22")

Description

Made for Elkington & Co by the excellent silversmith, Robert Hennell, this fine and original Victorian antique wine jug is in its original fitted leather presentation case. The glass body of the jug is hand engraved with a rope and leaf design while the hand engraved silver mounts mirror the same rope design, and the theme is continued with applied rope mounts. Altogether a beautiful piece that will show off your red wine to perfection.
