Description

An excellent pair of antique Edwardian wine jugs of the finest quality. The ovoid glass bodies feature deeply cut panels, finely hand-engraved birds of prey surrounded by branches of bellflowers, ferns, foliage and flowers.

The silver mounts are beautifully hand chased and hand pierced with scroll patterns, beading and foliage and the gilding is all original.

This pair of wine jugs is not available to purchase online. Please get in touch if you would like more information or are interested to buy them.
