REF: 2358

Height: 65 mm (2.56")

Diameter: 140 mm (5.51")

Description

These impressive George III silver wine coasters would have graced the Georgian dining table in the early part of the 19th century. They are richly decorated with embossed and pierced vines and grape and finished with gadroon pattern borders. They have their original wooden bases and are suitable for wine bottles or decanters.
