Bell shaped cocktail shaker

William Suckling

Sold

REF: 5311

Height: 270 mm (10.63")

Diameter: 145 mm (5.71")

Description

A novelty silver plated cocktail shaker in the form of a school bell. The carved hardwood handle unscrews top and bottom.

Founded by William Suckling in 1895, the company specialised in a very large range of silver-plated hollowware marketed under the trade names BURMESE, REGIS PLATE, KINGSWAY PLATE and PLATINE METAL.
