Description

Stylish heavy-gauge, Art Deco crystal decanter featuring stepped shoulders, an oblong crystal stopper and a tapering square body. The decanter neck is fitted with a hallmarked sterling silver collar. The shape and features epitomise the Art Deco aesthetic.

Art Deco was a popular design style in the 1920s and '30s characterised especially by sleek geometric or stylised forms. It represented luxury, glamour, exuberance, and faith in social and technological progress. For that reason silver cocktail and barware were popular categories of goods to reflect the style of the time.
