Height: 270 mm (10.63")

Diameter: 150 mm (5.91")

Description

This stylish, contemporary and entirely practical red wine decanter is great fun. Exclusive to and made by Langfords in its London workshops, this bottle-in-a-glass glass wine decanter, with its elegant solid sterling silver stem and base, holds up to a magnum of wine, with the capacious glass bowl allowing it to breathe gently and pour beautifully.

This decanter a great conversation piece at our dining table and is a perfect gift for engraving too.
