Description

This stylish bar set is made in the Art Deco style and comprises a black cut glass cocktail shaker, four martini glasses with silver cocktail sticks, a black cut glass wine cooler and a large black glass fruit bowl.

In a signature design by David Redman, the black glass bodies are crisply cut through to clear glass to produce a striking contrast. The cocktail shaker, wine cooler and fruit bowl have silver mounts, with hallmarks to the shaker and cooler. The silver overlaid rim on the bowl is unmarked. The Redman Jet martini set is thoroughly contemporary. Truly a big cocktail statement.

4 Martini glasses - 205mm tall 145mm diameter
Silver mounted glass cocktail shaker - 340mm tall
Large glass ice bucket with silver rim 260mm tall 280mm diameter
4 silver cocktail sticks in cut glass holder
Very large glass serving dish with silver rim - 525mm diameter

David Redman has become established internationally and has attracted collaborations from the high-end market style leaders such as Bentley Motors, BACARDI, Dunhill and Asprey.
