Antique & Contemporary Silver

George III style silver pint mug

Alexander Clark & Co

Sold

REF: 7401

Height: 120 mm (4.72")

Diameter: 108 mm (4.25")

Weight: 323 g

Description

A straight sided tapering tankard in the George III style with moulded foot and rim. The simple C-shaped handle is rounded on the inside making it particularly comfortable to use.

A silver mug is a lidless drinking vessel with a handle and English silver mugs were made in graduated sizes; the most common being the quart, pint, half pint and gill. Gallon and half gallon mugs like this example appear from time to time.
